### AQUILEGIA (Columbine)

As a cut flower the Long Spurred Aquilegias are the daintiest of our outdoor grown flowers.

They come in blues and whites and yellows and shades of pink and rose in strains reasonably true.

Practically all the various shades and colors are in the Coerulea Hybrids. They remain in bloom for a long season and are vigorous and long lived.

Per Doz. Per 100

<b>Coerulea hybrida</b> , all shades .....	.75	5.00
<b>Coerulea hybrida</b> , largely blue shades.....	.75	5.00

**Speciosum** : ..... .75 5.00

### DELPHINIUM (Larkspur)

The Delphiniums are wonderfully beautiful with their stately spikes of blue. They are our best blue flower, are perfectly hardy and established plants produce a number of spikes, in the tall growing hybrids attaining a height of six and seven feet.

They are in demand by every florist for decorating and making up, the light blue Belladonna combining especially well with other flowers.

Our strain of English hybrids comes from crosses of choice named varieties and contains some remarkably beautiful specimens.

	Per Doz.	Per 100
<b>Belladonna</b> , light sky blue.....	1.00	7.00
<b>Belladonna</b> , light sky blue, 2 yr.....	1.20	9.00

### LILLIES OF FRANCE—IRIS

The Iris is one of the finest, if not the finest, of our hardy plants. Not particular as to soil or location, but asking only that the sun shine on it, it throws up spikes of bloom that are marvelous in their delicacy of structure and the colorings which are exquisitely dainty are wonderful in their blendings and variety.

They are very effective planted in groups and if used for borders are particularly desirable in that the foliage remains fresh and upright after the blossom stalks are removed.

Planted in late August or early September they flower very freely the first season.

For use as cut flowers they are rapidly gaining in popularity with Florists.

	Per Doz.	Per 100
<b>Halfdan</b> , creamy white .....	.75	5.00
<b>Ingeborg</b> , pure white, very large flower.....	.75	6.00
<b>Walhalla</b> , standards light bluish lavender, falls violet purple .....	.75	6.00
<b>Florentina</b> , very early, creamy white faintly flushed with lavender, fragrant.....	.50	3.00
<b>Midnight</b> , a rich deep purple, the finest in this color, a fine cut flower.....	1.60	12.00
<b>Pallida Mandraliscae</b> , very tall, rich lavender purple, large and handsome.....	.85	6.00

### GLADIOLI

All Gladiolus bulbs which we offer for sale have been grown on our own grounds and will be found clean and true to name.

Instead of growing a great number of varieties, we are endeavoring to propagate the best varieties in the various colors and those that have the best floral value and each year sees the discontinuance of some sorts which are replaced by better ones.

		Per 100	
		1½" and up	1¼"-1½"
<b>America</b> , soft flesh pink.....	per 1000	\$ 2.50 22.00	\$ 2.00 18.00
<b>Baron Hulot</b> , rich purple violet.....			2.40
<b>Bertrex</b> , large fine white.....		12.00	10.00

## WAYSIDE GARDENS

---

### DAHLIAS

The Dahlias in the following list are those that for a number of years have proven to be the best of their types and what is most important, will bloom freely in the dry climate of the middle west. Peony flowered and cactus types will not of course prove as free as the old show types but are so much superior that they are much more worth growing.

Prices are for strong divisions of field grown roots. We especially advise late planting for the best results, not before June 1st, and stock may be ordered for shipment from our store house at that time.

	Per Doz.
<b>Aegir</b> , rich cardinal cactus.....	\$1.00
<b>Black Beauty</b> , dark maroon decorative.....	1.00

## Visitors Are Always Welcome

\* \*

¶ We are growers of Hardy Plants, Shrubs and Bulbs  
of dependable quality.

¶ All of the stock offered in the following list is on our  
grounds, that grown from cuttings and divisions we  
know to be clean and true and plants grown from seeds  
are from stocks obtained from the most reliable sources.

¶ Our plants are all field grown, are given constant care  
and cultivation and when sent out are strong and well  
developed.

¶ In many varieties we have large plants two and three  
years old which are very desirable for landscape work,  
for these and for large quantities of any of our stock we  
invite correspondence.

¶ All stock is sold f. o. b. Mentor, and in considering  
our prices please note that they include boxing and  
careful packing.

¶ Prices are net, payable thirty days from date of in-  
voice on approved credit, or less 2% discount if cash  
accompanies order.
